Dear Exhibitor

Do you want to create awareness for your brand on the PLMA 2024? We would be more than happy to support you in this journey!

A unique design fitted to your wishes

To fully benefit from your participation at the PLMA 2024, you can choose to have a stand design custom-made for your brand. Simply book a space-only via the PLMA organisation and our account managers Dylan & Hans can support you in this journey. In co-operation with you we will create a custom design which allows you to stand out from the crowd! You will receive a 3D-design and competitively priced quotation from us.

Do you need some inspiration?

In the following pages you will find an example of different designs, starting from 3-units which can be customized. For example if you like a design but would like to have a different kind of seating or add some showcases? Get in touch with us and we will have a closer look at your wishes!

Can't find a design that matches with your vision?

We can create a custom design focussed on your brand, some of these examples you can find on page 13

Please note: up until April 3, 2024 you profit from an additional discount as an early-bird registration.
