INTRODUCTION

CEVA Showfreight are bringing their exhibition site logistics and forwarding skills to Amsterdam as the **SOLE OFFICIALLY APPOINTED FREIGHT FORWARDER AND LIFTING CONTRACTOR for PLMA 2025.**

This means that CEVA Showfreight is the only company allowed to operate forklifts, cranes and electric pallet trucks in the halls and on the terraces surrounding the RAI site, which enhances efficiency and safety for everyone.

We have specialized partners across the globe to take care of your shipping requirements and consolidation points so that goods for PLMA can then travel together to Amsterdam, saving money and avoiding multiple handling of shipments, thus reducing the risk of damages.
